

Apples of Gold

Graeagle Community Church

2026 Women's Retreat

October 9th-10th*

Graeagle, CA

Session 1: Communing Eternally

Who is God? The answer to this question becomes the motivation for all that we think and do. It is the very heartbeat of the Gospel and Paul's message throughout the New Testament letter of Titus. We exist for an eternal purpose that His very nature defines.

Session 2: Becoming Older

Who are we? In a world that often devalues those past the prime of life and values the individual over the whole, God declares in His word a completely different purpose. Aging/living according to God's plan brings wisdom and perspective which God has designed to be passed on to the next spiritual generation through Christ-centered relationship.

Session 3: Transforming Younger

How does God transform our daily purpose? In a world that says younger is better and certain roles are more desirable than others, God gives us a renewed perspective in each and every moment and a clear means to grow into the women He has called us to be.

This year's speaker is our own Erin Ransom. She is the wife of our associate pastor, Daniel. Erin is the 'mother of 4 children, teaches elementary school at Plumas Christian School in Quincy and is heavily involved in the music ministry at GCC. Erin loves to teach—especially the Word of God. Her spare time (when she has some) is dedicated to REST!

*Check in will begin Friday at 4:30 with dinner at 5:15.
The retreat will end at 5:00 on Saturday.
